THE Alabama investigation sheds a broad light on the Ames' programme in Mississippi. Mississippians are forewarned of

Ames' plot to re-seat himself in the U. S. Senate, by the machinations of Spencer in Alabama.

THE present law fixes the price for legal printing at 60 cents per square for the first insertion and 30 cents for each subsequent insertion.

UNLESS Ames can stock the cards on the Conservative-Republicans in the nomination of candidates for the Legislature, his programme will fail.

taxpaying counties in the State, and yet but two of the seven members of the Board of Supervisors pay any taxes on real estate.

HON, O. R. SINGLETON is urged for Congress in the 4th District by the Canton Mail and the Carthaginian. The Westville News is for Gen. Lowry in the 5th District.

Ir is vehemently denied, of course, that the jury before which Cardozo was tried, was packed. Still the fact remains that all the jurors were Radicals and that nine of them were negroes.

ANOTHER old citizen, Col. Booth, of Carroll, has been summoned to his long home. Men like him were links connecting the past generations with the present; and it is sad that we are so often called to announce that one by one they are rapidly passing away. Col. Booth was the type of a noble class of whom few remain.

which was signally displayed in the Spen- pensed with. cerian tactics in Alabama, and which is counted largely upon by the Ames clan

A CORRESPONDENT of the Brandon Republican recommends John B. Lewis, Esq., and J. M. Jayne, Jr., Esq., for eration with the people of all the counties should be to nominate good men; and good men when indicated by public sentiment as the popular choice, must make up their minds to serve.

In another column, we have copied from the Winona Advance, a true and beautiful tribute to the memory of the late George Boddie, Esq., of this county, a well-known and highly useful and respected eitizen whose death occurred on the 10th inst.

THE Panola Star says that the large quantities of lands delinquent for taxes which were sold in that county on Tuesday last, went to the State, except a very few parcels, not more than a dozen, that were bought in by individuals. The man who buys delinquent tax lands will and other highly colored Radicals. find that he has made a bad bargain. Besides no man of honor will attempt to speculate on the misfortunes of his neigh-

The Daily Times.

Since our last weekly impression, Capt. J. L. Lake's Times, of Vicksburg, ha changed its quarters, and entered the journalistic lists of this city. Rumor as signs the chief editorship to Capt. H. T Fisher, an able and experienced journal ist. The Times is issued daily, fresh and sparkling with news and spicy matter, and readable, despite its politics-which are; of course, objectionable. To all concerned, we tender the courtesies and good-will which those who are embarked in the same honorable and useful calling owe to each other.

It was charged by a correspondent of ill-gotten gains. THE CLARION that the injunction applied for in the name of the former Trustees of Alcorn University to prevent the late | interest of Ames and his clan, in the | it had been deposited subject to the order | ty. law in relation to the University going pending canvass. Every honest man of Senator Jones. This we afterwards into effect, was bogus; and that a ma- must be on the alert to circumvent them. found to be untrue, but not knowing any jority of the old Board did not give their consent to the proceeding. The charge is confirmed so far as Doctor Stites, one of the members of the old Board, is concerned. He has published a card in the Pilot stating that he " had no part nor "lot in the injunction gotten out by a " part of the old Board against the new "Trustees." The question is, who was guilty of the fraud?

The Meeting of the Democratic-Conservative State Committee and Informal Delegations.

The feature of the meeting on Monday, (fully reported elsewhere,) which deserves mention first, was the large attendance and the deep interest displayed in the success of the canvass, of which the meeting itself was the initial step. There was no phase of opinion which was not represented. It was a spontaneous gathering of citizens from all parts of the

State. The next most noticeable feature of the gathering was the feeling by which the

After a perfectly harmonious session, it was unanimously resolved to hold a State Convention at the Capitol on Tues-State Conv purposes of a thorough and complete organization and the routing of Radicalism from its strongholds in this State at the form its strongholds in this State from its strongholds in this State at the November elections. The feeling evinced by the meeting, the determination to hibit to them by his course, the good harmonize and compared and all pull sense of their own action in entrusting member was still lying insensible."
